Support B.E.S.T. standards mastery

Strategic lessons for developing critical thinking.

Lesson support collaboration with:

- Vertically aligned skills that build upon the previous level.
- Meaningful problem solving that develops real-world extension.
- Rich texts to deepen a broad base of knowledge.
- Scaffolded support to ensure standard mastery.
- An emphasis on developing academic vocabulary.
- Differentiated instruction for struggling, advanced, and English Language Learners.
- Scoring rubrics, checklists, and graphic organizers.

Four-Part Lesson Plan

- **Introduction**—build context and vocabulary, connect to new learning.
- **Guided Instruction**—checklists, guided questions support learning.
- **Independent Practice**—application of skills with various formats.
- **Exit Ticket**—culminating assessment checkpoint.

INTRODUCTION

Real-World Connection

GEOGRAPHY CONNECTION

Zach and Brianna are traveling to Austin, Texas. They will spend two weeks with their cousins. They have never been to Texas before, so they have been emailing their cousins to learn more about it. They read that it gets very hot there in the summer. Their cousins sent an email reassuring them that the heat could be beneficial. Zach and Brianna do not recognize the word *beneficial*. They guess that their cousins mean there are positive things about the heat. They also recognize that the first part of the word, *bene*, is similar to the beginning of the word *benefit*. *Benefit* means "something good." They confirm their guess later in the email when the cousins mention several fun activities that take advantage of hot weather, such as boating on a river and visiting a grotto with a pool. Zach and Brianna are not sure what a grotto is.

Can Zach and Brianna use the same strategy to find the meaning of the word *grotto* as they did for the word *beneficial*? Do you think the same steps will work again? Why or why not? In **Guided Instruction and Independent Practice**, we will learn more about using context and word parts to find the meaning. At the end of the lesson, we will revisit Zach and Brianna.

TIPS AND HINTS

When you see an unfamiliar word, remember to read the sentences before and after the word. Sometimes clues are not in the same sentence as the unknown word.

Vocabulary in Action

As you read, you will come across words that are used in many ways.

- **Word parts** are chunks of words that have specific meanings. Many English words are based on these parts.
- **Context** refers to the words and sentences surrounding an unfamiliar word. Context often provides clues about the word's meaning.
- The **root** of a word is the base of the word. Knowing a word's root is one of the best ways to understand its meaning.
- An **affix** is a group of letters added to the beginning or the end of a word. Affixes add specific meanings to the root words they are attached to.
- A **prefix** is an affix that is added to the beginning of the word.
- A **suffix** is an affix that is added to the end of the word.

GUIDED INSTRUCTION

Read this page from a website Zach and Brianna found about an interesting place in Texas.

Enchanted Rock

Located in Central Texas, Enchanted Rock is a huge, pink, granite dome. In fact, the dome is even bigger than it looks. It extends 62 square miles, most of which is underground. The visible portion of Enchanted Rock is 1,025 feet above sea level at its highest point, so climbing to the top is like climbing a 30-to-40-story building!

Enchanted Rock is a batholith, a large type of rock that formed far beneath the earth's surface when magma, or liquid rock, cooled. The aboveground section provides a home for a multitude of animals. Visitors often see lizards, birds, squirrels, rabbits, armadillos, or deer. The rock is home to many types of plants, too, including a variety of trees, grasses, and flowers.

Enchanted Rock changes over time as weather causes erosion to its surface. In some places, the erosion forms pits that fill with water. When the water lasts for a few weeks, these special pits are called vernal pools. These pools form homes for unique groups of plants and animals. One uncommon inhabitant is the fairy shrimp. This very small shrimp lays eggs that survive even when the pool water dries up. When the pool refills, the eggs hatch! The vernal pools are very fragile, so visitors are asked to view them from a distance to avoid harming these delicate areas and the creatures that live there.

THINK ABOUT IT

This text contains some words that may be unfamiliar to you. Which words does the text define? What other clues do you find to help you understand the unknown word?

How Am I Doing? prompts provide checkpoints and writing opportunities for self assessment.

Lesson 2USE GREEK AND LATIN ROOTS AND AFFIXES

The chart below shows how to use word parts, roots, and affixes to help you understand words in the reading "Enchanted Rock." Some boxes have been completed for you. Can you fill in the rest?

WORD	AFFIXES OR WORD PARTS	MEANING
batholith	The root word <i>bath</i> means "body of water." The suffix <i>-lith</i> means "stone."	a rock surrounded by a body of water; Enchanted Rock "stone"
multitude	The root word <i>multi</i> means "the state of something." The prefix <i>multi-</i> means many.	the state of having many
erosion	The suffix <i>-ion</i> means process.	
inhabitant		

SKETCH IT

In the margin, create a web. Place the word unique in the center. Write words, events, or places that relate to it.

Part A

What does the prefix *uni-* in the word "unique" mean?

(A) far; distant

(B) one; having only one

(C) opposite

(D) many

Part B

Which word provides the context clue for the answer to Part A?

(A) inhabitant

(B) homes

(C) uncommon

(D) small

14 masteryeducation.com | English Language Arts | Level G

Lesson 2USE GREEK AND LATIN ROOTS AND AFFIXES

How Am I Doing?

What questions do you have?

List the step-by-step instructions for using context clues to find the meaning of a new word.

How do common Greek and Latin word parts help you guess about the meaning of an unknown word?

I am stuck.

I almost have it.

I understand the skill.

Unit 1 | Vocabulary | masteryeducation.com 15

USE GREEK AND LATIN ROOTS AND AFFIXESLesson 2

1. What does the word part *picture* mean in "picturesque" in paragraph 2?

(A) a painting or drawing

(B) a vivid sight

(C) a mental image

(D) a reproduction

2. This question has two parts. First, answer Part A. Then, answer Part B.

Part A

Based on the information in paragraphs 1 and 2, what is the meaning of "fantastic"?

Students practice with questions that are similar to those on the assessment.

Hints and other suggestions help guide students to the correct answer.

Part B

Which **two** phrases provide the best clues to the meaning of "fantastic"?

(A) "holes, clefts, and labyrinths" (paragraph 1)

(B) "lived like animals" (paragraph 1)

(C) "picturesque, volcanic region" (paragraph 2)

(D) "curious cones and columns" (paragraph 2)

(E) "strange shapes" (paragraph 2)

Starred items highlight more difficult, critical thinking questions.

Lesson 2USE GREEK AND LATIN ROOTS AND AFFIXES7.V.1.2

EXIT TICKET

Now that you have learned more about using context and word parts to help you find the meaning of unfamiliar words, let's check in with Zach and Brianna from the **Real-World Connection**.

Zach and Brianna's cousins suggest that the group visits a grotto during their upcoming trip to Austin, Texas. Zach and Brianna do not know what a *grotto* is. When they did not know the meaning of the word *beneficial*, they used some strategies to figure out the definition. Look back at the **Real-World Connection**. What strategies did Zach and Brianna use to figure out the meaning of *beneficial*? Will the same steps work to help them find out what *grotto* means? To help you in your answer, use what you learned in this lesson about context and word parts.

Consistent Instructional Framework

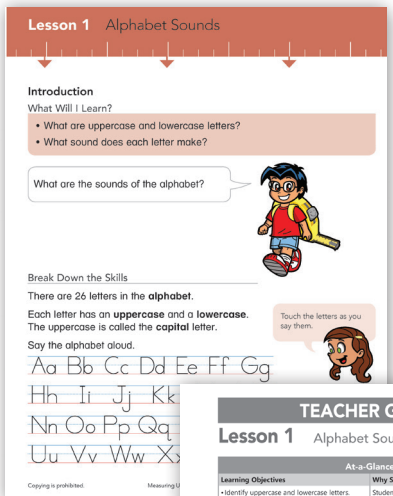

Measuring Up® Foundations incorporates brain research for striving students. Four-part lessons streamline skills and tasks to avoid frustration and boost achievement.

Introduction/Break Down the Skills

- Set learning goals and activate prior knowledge.
- Provide context for vocabulary.
- **Measure Kids** provides hints, tips, and guidance.
- The Teacher's Manual offers:
 - Explicit directions for making instruction clear.
 - Full support to teach academic vocabulary in context.
 - Strategies to address the needs of striving students and English learners.

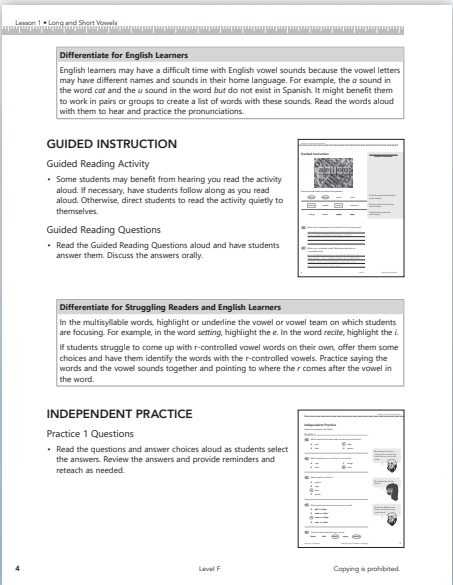

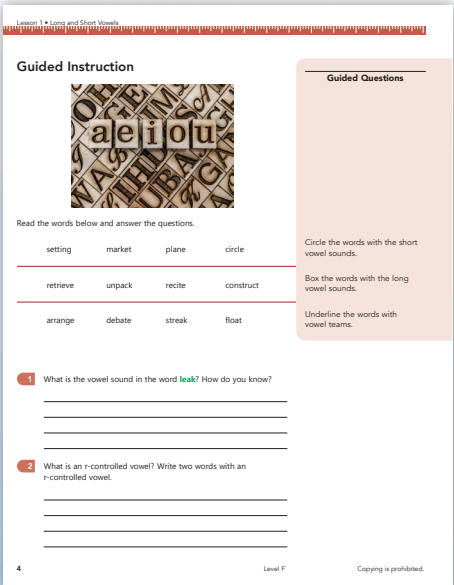

Every lesson includes four distinct parts:

1. Introduction/Break Down the Skills
2. Guided Instruction
3. Independent Practice
4. Exit Ticket

Guided Instruction

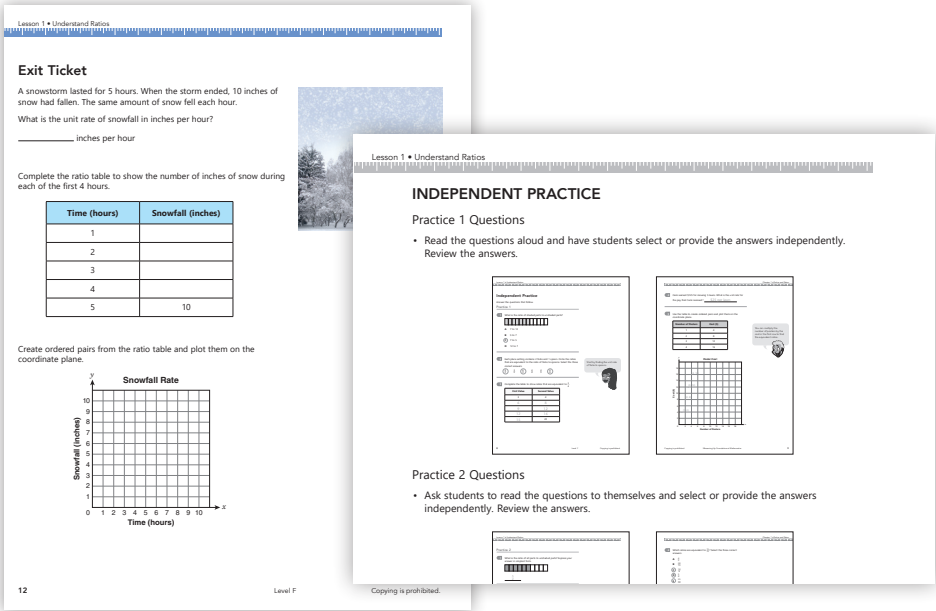

- Strategically placed thinking questions support learners.
- Examples and illustrations support and clarify meaning.
- The Teacher's Manual offers comprehensive directions for assigning and supporting practice.

Reading Skills, Grade 1
Student Edition & Teacher's Manual

Reading, Grade 6 Student Edition & Teacher's Manual

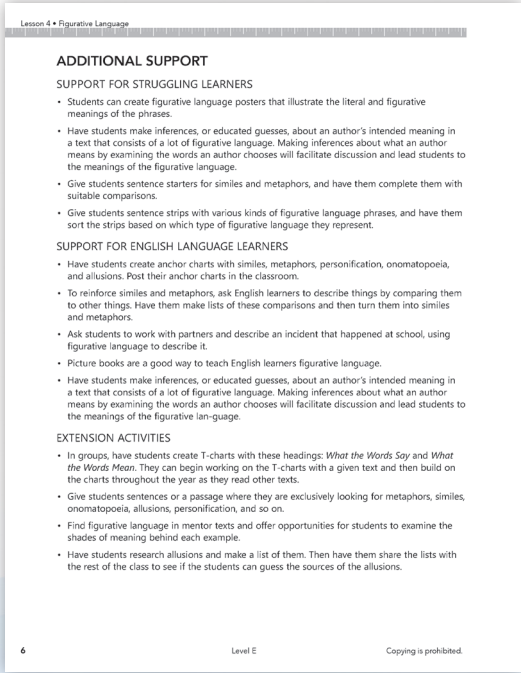

- Exit Ticket**
- Culminating activity for quick assessment check.
 - The Teacher's Manual includes directions for activity.

Accelerate language acquisition with proven strategies

Each unit offers:

- Supportive language acquisition strategies such as sentence and paragraph frames to scaffold oral and written language development.
- An emphasis on Tiers 1 and 2 vocabulary learning, etymology, and Spanish cognates.
- Listening, speaking, and writing opportunities in each reading selection.
- Plenty of practice questions.

Format & Structure

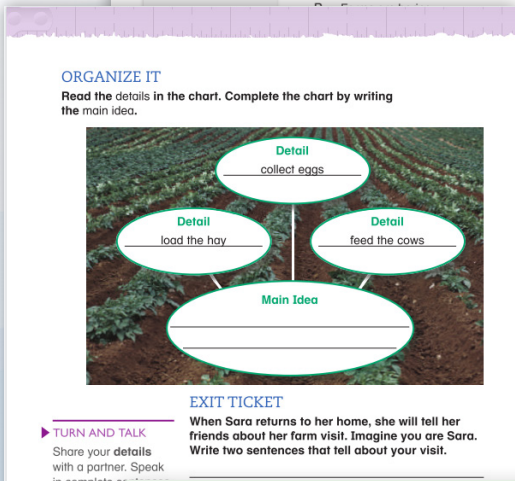

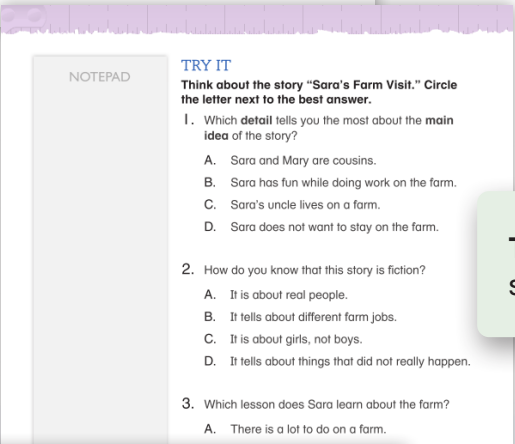

Six Units: Main Idea & Details, Summarize, Sequence, Problems & Solutions, Cause & Effect, and Inferences/Draw Conclusions

Instruction targets include six performance- level descriptors (PLDs): Entering, Emerging, Developing, Expanding, Bridging, and Reaching.

Learning targets provide an overview of the purpose of the lesson.

Guided Thinking questions help students understand the passage and encourage them to think critically while practicing English.

Try It offers practice questions for students to show what they know.

Organize It helps break down the structure of the story to make it easier to retell.

Exit Ticket checks student understanding to make sure they understand the skill of the lesson.

Florida statewide assessment, instruction, and practice

- Formative and summative curriculum-based assessments.
- Measure growth in before- and after-school programs.
- Deepen **Florida B.E.S.T. Standards** understanding and comprehension.
- Targeted, customized intervention to support striving learners.
- Actionable data to monitor progress and inform instruction.

Florida Statewide Assessments

Create and customize assessments from 65,000+ questions.

Choose pre-built assessments for multiple grade levels and standards.

- Diagnostic
- Benchmarking
- Progress monitoring
- Formative
- Exit Ticket opportunities

An eBook version of *Measuring Up* worktexts

- Access *Measuring Up* lessons designed with scaffolded instruction supporting standards mastery.
- Mark up, annotate, and access eBooks anywhere, anytime with offline access with the Perfection Next® On-the-Go App.

PERFECTION
NEXT *On-the-Go*

- Utilize adaptive reading support through Immersive Reader.
- Additional focused instructional resources are also available—Keep on Reading and Word Explorer.

Differentiated, adaptive, Florida standards-based practice

Select this personalized, formative, motivational instruction.

- Teacher-assigned or automatically prescribed from **Insight** results.
- Corrective feedback, text-to-speech features, and built-in rewards.
- Quiz mode and game mode.

Enrollment and rostering options through Clever, Google Classroom, OneRoster, and Classlink.

A single management system to drive instruction

Receive unparalleled access to student performance data.

Diagnostic Assessments

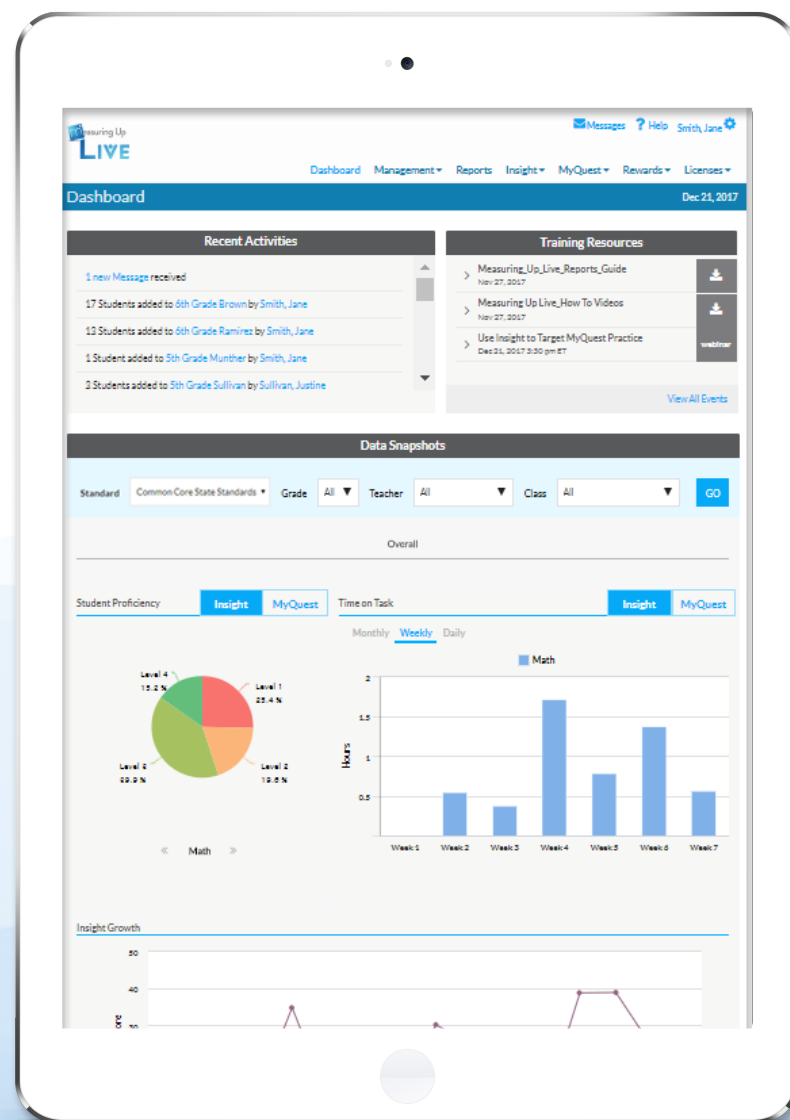

- Access a variety of diagnostic and formative assessments.
- Create your own assessments.
- Use filters to pinpoint questions by item type, difficulty level, or cognitive levels.

Differentiated & Adapted Practice

A Personalized Learning Path is generated based on performance and assessment results.

Real-Time Data

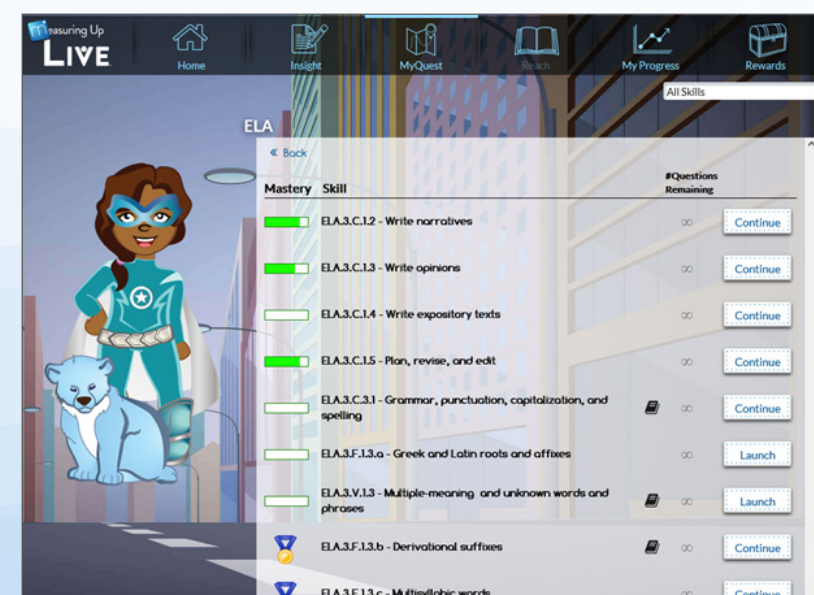

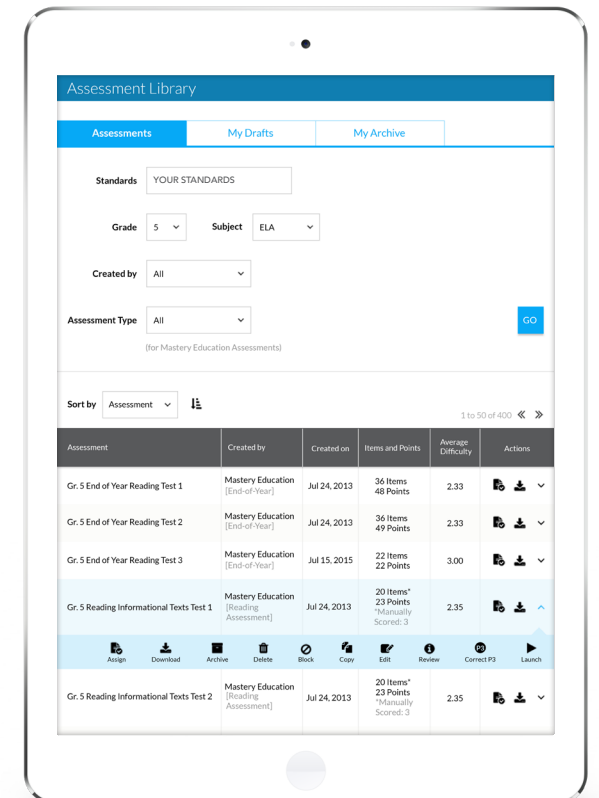

Make a positive impact on student learning with actionable data.

Multiple measures to monitor learning

Using the student-friendly dashboard, students monitor assignments, view needed skills, monitor achievements, and witness their own success.

- Assigned assessments are posted on the student dashboard.
- Students experience assessments in the same format as the state assessment—including navigation tools.
- Assessment results are listed, making it easy to view progress.

Personalized standards-based adaptive practice

- Personalized practice assignments are posted on the student dashboard.
- Practice scores are immediately posted.
- Students access learning games, a leader board, and rewards from the dashboard.

Access to actionable data

Inform instruction and practice to master the Florida B.E.S.T. Standards.

Measuring Up Live analytics provide access to real-time data.

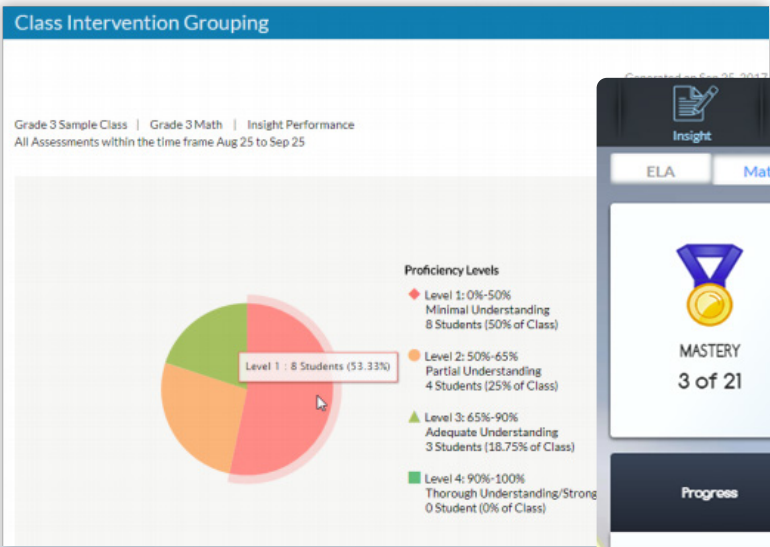

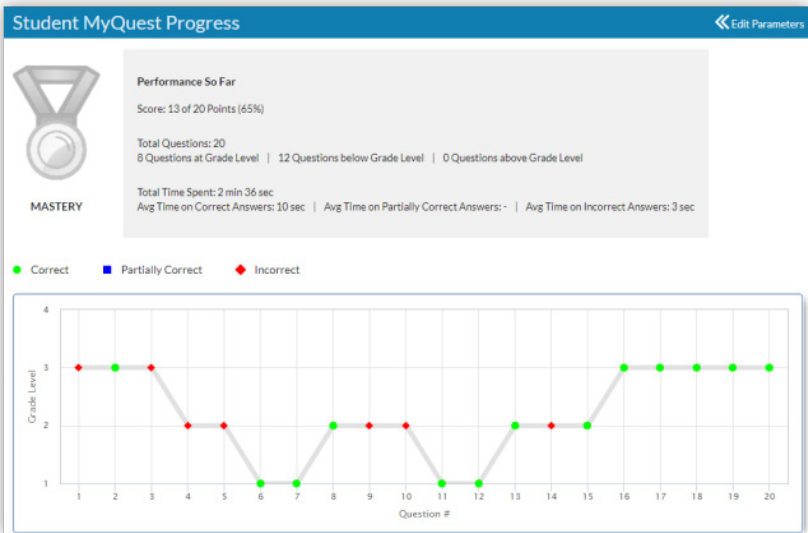

- Adjust instruction, group students, and connect with families.
- **Reporting** for individual students and by class, grade, and school.

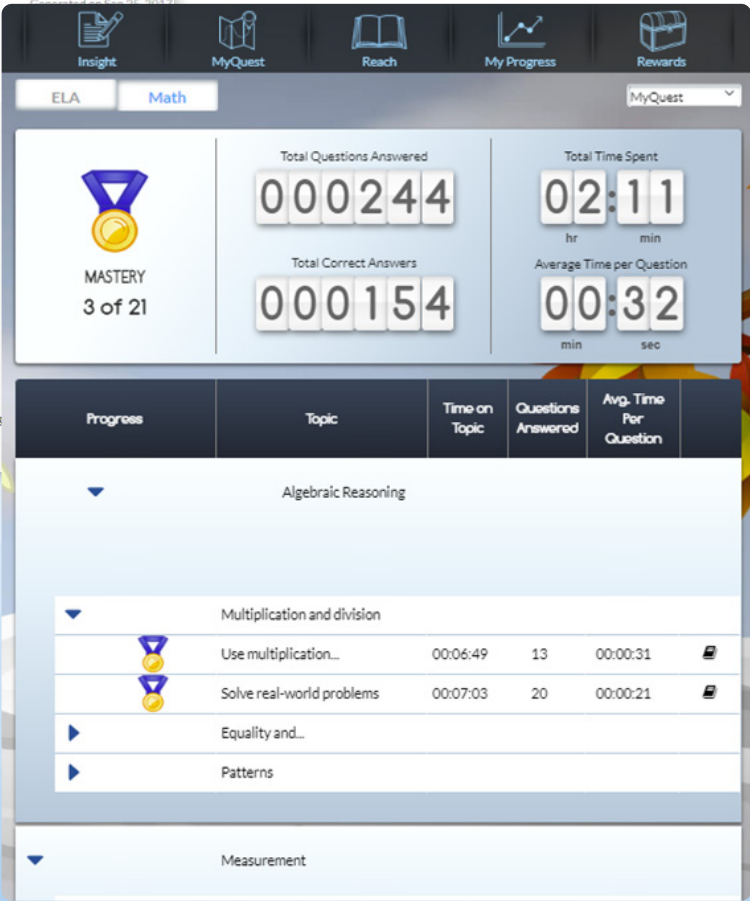

Target the needs of every student

- Maintain a **positive impact** on student learning.
- **Differentiated Instruction** with **Insight** assessment data to personalize a learning path through **MyQuest**.

Personalized Learning—Progress Monitoring by Student
Teachers can see how students level up and down within the program.

My Progress
Motivate students with a view of real-time progress.

Create your own standards-based assessments

Each site license provides access to the appropriate subject and grades.

The Item Bank includes:

- Over 65,000 test questions organized by standards.
- Hundreds of reading passages including informational texts, poetry, and drama.
- Difficulty levels and cognitive scale identified for all questions.
- Higher-level questions that match the rigor of the assessment.
- The ability to edit and print custom assessments.
- *Measuring Up Insight* assessments that can be downloaded to either PDF or Microsoft Word.

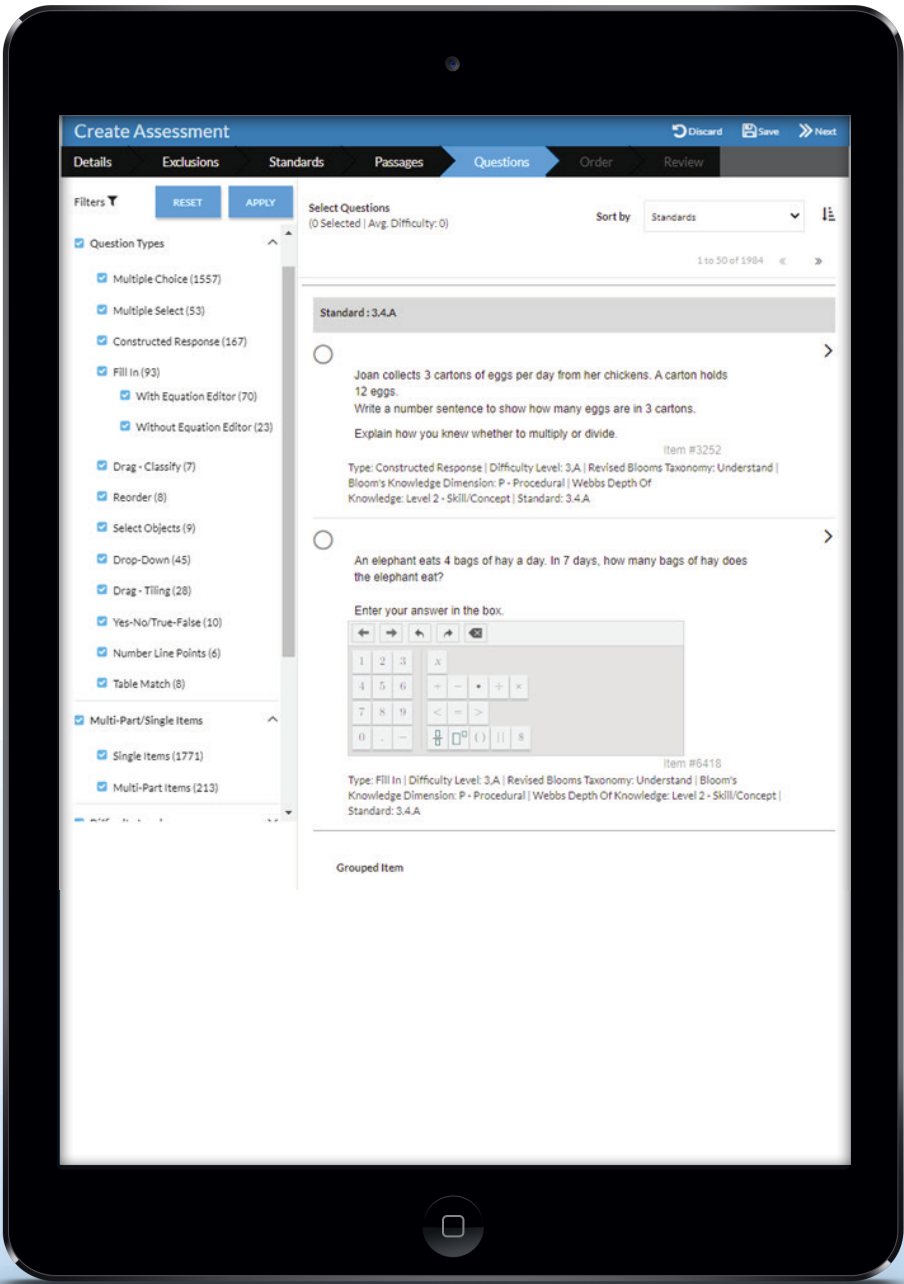

Only three steps to create your assessment!

- 1

Select the standard(s) you wish to assess.
- 2

Choose questions to customize your assessment.
- 3

Print your finished test.

Benson Handwriting with Integrated Reading and Language Arts

Develop fluent, legible handwriting while practicing reading and language arts skills

Each research-based handwriting lesson takes approximately 15 minutes and includes:

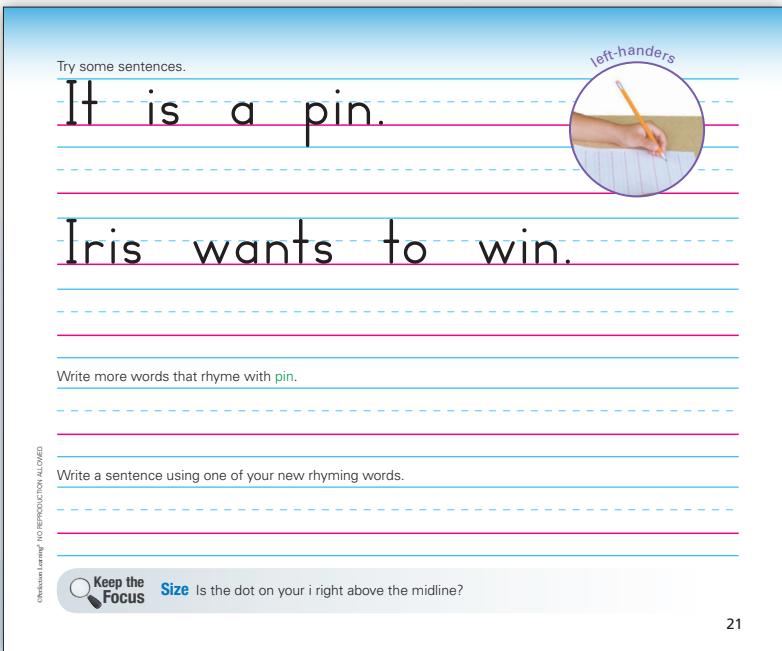

- Letter formation models.
- Scaffolded practice with print and digital support.
- Independent practice.
- Extension activities through print and digital practice materials.
- Self-assessment prompts.

Language Arts & Reading

Each lesson contains activities incorporating grade-appropriate reading and language arts standards.

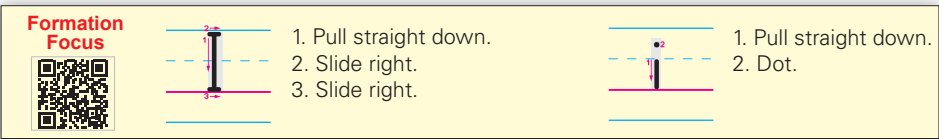

- **Foundational Skills**—phonological awareness, phonics, and phonograms.
- **Reading Skills**—following directions, main idea and details, cause and effect, compare and contrast, using textual evidence, figures of speech, point of view, and plot and characters.
- **Word Study**—identifying word meaning, prefixes/suffixes, synonyms/antonyms, spelling patterns, and content-area vocabulary.
- **Writing**—responding to texts, composing in specific genres (narrative, informational, argumentative, poetry, drama), and reproducible writing journals (grades K and 1).
- **Grammar, Usage, and Mechanics**—capitalization, punctuation, pronouns, verbs, adverbs, adjectives, and proper nouns.

[Learn More and View Pricing](#)

Letter Formation

Support for proper letter formation through multiple print and digital avenues.

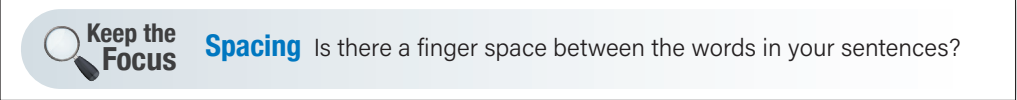

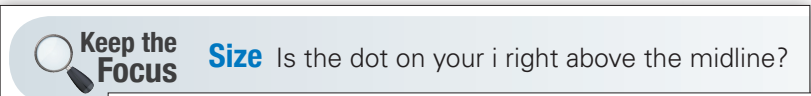

- Simple letter formation with easy-to-follow instructions in each lesson.
- QR codes at point of use provide animated letter formation models accessible on mobile devices—school-to-home support.
- Desk strips and wall posters.
- Reproducible letter tracing cards (grades K and 1).
- Manuscript instruction available for Grades K to 2.
- Cursive instruction available for grades 2T (transition) to grade 6.

Legibility—Keep the Focus

A *Keep the Focus* feature in each lesson reinforces the four components of legibility.

- Size
- Spacing
- Slant
- Strokes

ELL Support

Hold a pencil in the hand you write with and ask the children to do the same. Have Language Partners turn and talk to check for understanding. Circulate and check for pencil grips.

OT TIPS

Uppercase I

Help children remember the strokes used to make the uppercase I by reminding them that the uppercase I begins at the skyline with a long line down. Then it wears a hat and shoes. Using the terms *hat* and *shoes* can help children remember that hats are on top and shoes sit on the line.

Spanish student and teacher editions available for grades K-5!

Differentiation

Support for ELLs (English editions), occupational therapy tips, and Practice Masters ensure all students are successful.

- **ELL Support** (English editions) provides visual and tactile learning strategies; introduces academic vocabulary using media, visuals, and modeling; provides suggestions for Language Partners; and much more.
- **OT Tips** throughout the program and the **Professional Development Resource** help teachers develop students' fine and gross motor skills and spatial reasoning using a number of strategies and activities.
- **Practice Masters** and **Font Software** give teachers unlimited opportunities to reinforce concepts, provide remediation, and challenge advanced students.

Your Partner

We partner with district and school leaders to create meaningful learning experiences starting with customized professional development plans that include sessions aligned to specific implementation goals and educators’ needs.

Customized to Your Needs

Our professional development sessions support educators’ growth with our programs over the life of their implementation, beginning with a successful launch, moving to ongoing support designed to strengthen instructional practices, and targeted sessions that deepen professional learning.

Experienced Professional Development Team

Our professional development (PD) specialists work alongside your educators to tailor content to meet their needs. Our team is made up of former and current educators, instructional leaders with extensive experience teaching in the classroom, coaching teachers, and working with adult learners.

Flexible Leader Support & Professional Development Sessions

Leaders are an essential component to support a strong implementation. We offer tailored sessions and ongoing consultation to ensure leaders are set up for success to launch and lead, equipped to facilitate data teams to use *Measuring Up Live*® data and curriculum to accelerate student learning, and supported to design an implementation model to help all learners succeed.

For teachers, we offer sessions that can be tailored to fit their needs and busy schedules. Our sessions are built in three-hour modules to support personalized professional learning plans and can be tailored for shorter Professional Learning Community (PLC) meetings, data/team meetings, or prep periods.
